

FAQ COGMP

1) What is the COGMP Programme?

The CEO/Owner Growth Mindset Programme (COGMP) is a business transformation programme designed to strengthen leadership, improve organisational mindset, and enhance overall company performance towards becoming globally competitive.

2) Who is this programme for?

This programme is tailored for CEOs, Managing Directors, business owners, and senior management teams seeking to elevate their leadership capabilities and drive company-wide transformation.

3) What will I gain from this programme?

Participants will gain strategic leadership insights, improved decision-making capabilities, and practical tools to enhance operations, strengthen company culture, and drive sustainable business growth.

4) How is the programme delivered?

The programme is conducted over a minimum of six months and includes structured coaching sessions with industry experts, focusing on real business challenges, operational improvements, and strategic alignment.

5) How do I apply?

You can apply through the MARii programme portal by completing the online application form. Shortlisted companies will be contacted for further assessment and onboarding into the programme.
